When the first time I saw her, I fell in love in her eyes, Her eyes look like a story. In Roman Holiday, she acted as a princess. She won the Oscar Award for this film. I think everyone knows the film <>. In the play she wore a black strapless dress beautiful shadows make fans think constantly of, this costume opportunity at Christie's in London, sold for 410000 pounds, became the "most expensive" costume.

In the epic movie "war and peace", play a well-known actress in the drama "Natasha Audrey". This is Audrey and her husband Mel Feller for the first time in the film.

Movie "wild oats", as a fashionable dress exaggerated telephone operator in the movie; movie "laughter in paradise", Audrey plays a sweet sexy sell cigarette girl in the film; the movie "robbery armored car", as "Qi Ji tower in the film" (Chiquita), and actor Alec Guinness performing opponents play movie "young woman" (Young Wives'Tale) anecdotes, in the play, Audrey played a single beautiful typist; movie "Monte Carlo Baby" (Monte Carlo Baby), because Hepburn knew French, so in the "Monte Carlo Baby" of the English and French versions as the same role; movie "Shu Yan", as "Nora Brentano" (Nora Brentano), during the election campaign, the director announced that Audrey is the first candidate for this role.

Movie "forever", Audrey guest stars as a noble, nostalgic angels in the film. This movie is Audrey's celebrity for. I think no one can act better than her in this film because she is the angle in our heart.

I think the most important thing is that she not only has beautiful appearance, the Hollywood actress inherent, and others can not better than acting can be said to be a born actress, is a precious treasure in movies.

In fact, Audrey Hepburn is just a microcosm of the development of the Hollywood film. Nowadays, more and more people love the movies, they love Audrey Hepburn, until today, although Audrey Hepburn has passed away, she still was the goddess of the same in many people's mind, this is not only attributed to Audrey Hepburn's own charm, but also because of the Hollywood film strong star power.

I like Audrey Hepburn and like many people, I also like the movie, I think movies can let me relax, movie movie stars have their own characteristics, worthy of our love!
