Sunny days have always been excellent days for traveling. When sunshine falls on your face, you smell the air as sweet and it brings you good mood. It was exactly such a lovely day that I went to Nanjing.

I went to the Office of the Present, Xianfeng Bookstore and Nanking Massacre Memorial Hall, seeing the famous places that everyone knows. But I was so tired of being surrounded by people. Moreover, beautiful sites full of people made me sick! So I visited some other places that were leisure and made me felt good.

Fancy a sup of tea? Enjoy a cup of Longjin tea by Xihu is fantastic for tea-lovers, isn't it? How about having a cup of British tea in an old city like Nanjing? Nanjing combines not only ancient and modern culture, but also national and international factors. A British tea house called Annvita lays in Zhongshan Road No.100, Qinhuai district. After having several busy days in study and work,

come to Annvita and have a cup of rose tea with your friends, chatting and laughing…How relaxing it is! Look at the picture below, flowers are blooming on the teapot and cups, the beauty of them brings more relaxation to your heart. No sooner had my bad mood vanished than I saw the cups and the dessert.

It was a great experience walking under phoenix trees. Finding a quiet place to wander around in such a short break wasn't easy. Everywhere was crowded. Phoenix trees have been thought to be the courtyard ornamental plants since ancient days. And nowadays they are always used to green the roads. They bloom in April. According to legend, phoenix trees can sense the leap year: they grow 12 leaves on each branch in common years, but 13 leaves on each branch in leap years. However, it is confirmed to be coincidence finally. But phoenix trees can sense the autumn is a truth. When their leaves fall down, we could tell that the autumn is coming.

Get tired after walking all day? Then just sit down and have a good meal in Nanjing Restaurant, we call it Nanjing Dapaidang! Here you can try local and special food of Nanjing. The restaurant was set up in 1994, and it has never changed its menu since then. Its decoration

is like old inn, it’s so “Nanjing”. You feel as if you had come back to ancient days sitting inside. There I tasted Slice lotus, it was sweet. As a Cantonese, I like sweet food so it just suited my taste!

Furthermore, wandering around university in Nanjing is a good choice, I think. Even the schools are full of ancient breath. Take the picture on the left for example. It’s a building of Nanjing University. It’s an old school and it has fostered many intellectuals. Chinese brick houses are seen everywhere in the university.

If you really want to get close to Nanjing, just choose quiet places and have a good trip!

1. Taohua Island

This island would be ordinary if the writer Jin Yong had not mentioned this name is his famous novel. But today, this name have been a classic memory in many people’s heart. You come to here and feel you are in the novel.

So, in the island, there are some human landscapes that are related to this novel. As many TV series have been took in there, the filming sites become an attraction, such as Taohua Village. Jin Yong has written words for Taohua Village, which become an attraction.

Except the human landscapes, I want to introduce you natural landscapes. One is the beach Tawan Jinsha. Tawan Jinsha has very fine sand, the sand was soft and pure. Some people take sea bath, sand bath, sun bath or just walk around.

As the name Dongji shows, is the east pole of China in a sense. So it means the first sun light of China in a day would be seen in here. In the Dongfushan Island, which is the most east inhabited island of Dongji Islands, when sky is dark, come to a beach, face the east, sit or stand, listen the sound of the sea, enjoy the slow time, wait for the sun rise. When the sun is rising, everything around you will be amazing beautiful. And the special of the sun rise in Dongfushan Island is that you can say it's the first.

In Dongji Islands, there is a scenic spot that is called Sea of Potala Palace. It's many stone house tier upon tier and like the Potala Palace if see it in the distance. However, stone houses are scattered in the whole island. Stone houses with green plants grow together, that's what you can see of the building in Dongji Islands.

If you are not in the beach, you will see cliffs make up the border between sea and land. Wave beats stones in the seaside, making melodious sounds. The night in Nanji Islands is fantastic to us, who live in the city. You can see the dark sky is studded with twinkling stars, is the picture you can’t see in the cities nowadays.

Nanji Islands

4. Dongtou Islands

Compared with Nanji Islands, Dongtou Islands are developed maturely. Lingni embankment, the biggest cross sea dyke in China, related the mainland with Dongtou Islands. And seven cross sea bridges link eight islands. Some people would drive to the islands, some young people would take bicycle to the islands, from Linhni embankment. In a long dyke, both sides were sea and sky, nothing can obstruct your sight. You may feel your heart is as wide as a sea surface at that moment.

Except developed in transportation, there are other aspects that are developed. For example, the infrastructures for people to live in the islands are well. The fishery is well-developed, so eat sea foods should be one in the to-do list.

Basketball in life

by Zongwei Qu 134901108

Laws of life is basketball! A law of life is something that we choose to live by that guides us. The first law of life we need to choose to live by is bravery.

Bravery is having or displaying a sense of courage as well as being a daring individual. It is also a person who lacks the qualities of being cowardly or timid. Throughout history most great leaders showed that they were very brave individuals through their actions and as well as the way they carried themselves. They did not allow what other people or forces said dictate their actions. The character that shows bravery in the story, made it entering the NBA after the hard training. Even though the training might be hard and sweaty, he never gives up for his dream. He fights through himself in order to success. He welcomed every single challenge, because he knows that “trouble is the power that keeps you moving”.

Bravery on itself is not enough. When trouble comes, if you only have bravery but did not show any action, that is not success. The character kept moving when the adversary came to him. He never give up, because he knows that basketball is his life and he will like it for his whole life. At this time, if he gives up, he will never make himself into NBA, and will regret for life. Challenges are necessary in order to grow as individuals; they are necessary to improve our skills and polish up our talents; to help us to become as successful individual in whatever endeavor we are involved in. And above all, challenges help us to discover who were really are and what we can do in difficult situation.

One you take the first step and decide to face a challenge, you have to state the problem and do it as clearly and exactly as you can. Your challenge might not like the ones the leading character had in this story, but what is similar is that you have to take time to understand properly the problem you are facing. It is important to continually challenge yourself in order to boost your power up. Find your favor and interest, put yourself in a challenging situation and try your best to overcome it. Stay calm and focused. Challenges help you to get out of the comfort zone. What does not kill you makes you grow stronger.

People will always hurl stones of taunts in their path of life. It totally depends on ourselves, what we make of it a wall of difficulties or a bridge over difficulties. We must be brave and accept it mentally because you never regret on your own decision. We cannot turn back time, but we can face our challenges and never let them defeat us to the path towards our success. Your inner self will be victorious and the difficulties will be defeated. Be brave, and live for your life. Do your favorite things, and never say give up?

Faith from ”the life of pi”

If we really even honest to discuss the ability of human desire, the most basic love and faith are lost, the film left what? To believe that the movie, drama,literature, with its unique charm, this is faith.
By xinying yu 134302116 class2

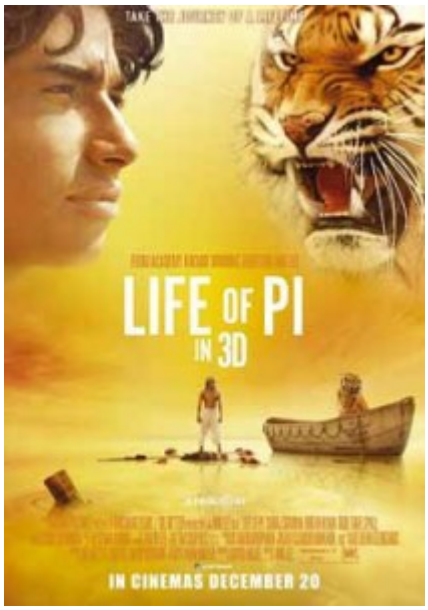

To see Ag Lee, all kinds of love hate entanglements.
I think, one day, the world would be like miss Kubrick miss Ag Lee. Like “life of Pi”, especially not forget that a tiger. To

say goodbye, it is not turned back, the same I also cannot forget. Like Ag Lee the ease of a pen, which is full Oriental style opening of zen. Hollywood offers a huge canvas, Ag Lee above devoutly painted tiger in my heart. He makes people believe, belief is there,this belief has nothing to do with politics, even not as part of a religious,between the back and a tiger and don’t look back.

We suspect that all good, and refused to acknowledge the cruel reality. So,there are people of faith, and the tiger are than we tend to happiness.This is a story about drifting, this is a story about faith.

“Life of Pi” hero, is a religious youth. On the way, a family moved to Canada cargo ship sank, killing all send a family, fled to the lifeboat. And sent both in lifeboats, a zebra, a hyena, an orangutan and a dog named “Richard Pare”adult Bengal tiger. The first three days in the lifeboat, hyenas killed zebra,killed orangutan, “Richard Pare” and kill hyena. Then, 17 year old boy and an adult Bengal tiger, 227 days at sea, made a fantastic drift process. School and the “Richard Pare” from each other, want to kill each other gradually Independent on each other, depend on each other, this is a miracle. Because of the “Richard Pare”, send stick at the end; because of the belief that there was new, pie. In the film the end of the fast, and Pare finally landed, at the last moment, Pare did not look back, resolutely walked into the forest, sent regrator interfaith is not is not right or wrong, but requires commitment.

In the film, the young because of the existence of multiple belief reprimanded by his father, a variety of faith is not belief. From the nature of sense, the belief that everything is on the existence and uniqueness of the truth believe that does not doubt, is a personal reflection and choice basis for action. After watching the movie, many people struggle which is the true story, actually it is meaningless. Maybe Ag Lee didn't know the answer, as we "as far as I can see, its all, bring me the enlightenment", have a look what we can see how much.

Jeff Chang sang in his song, "I love you, is loyal to their own beliefs, loyal to love. I love you, is from the soul, from the power of life. In the distant place,whether you are the same, hear me shout, love is a kind of belief.Visible, the belief is very important, in our life so, let us respect. Mining more good movies together ~ good movie is not only let the audience the joy in watching, and want to get more after the movie.

Development of the Hollywood star system

Hollywood is the film factory, for the fans all over the world, it is the production of the world star. Star in the world is the representative of Hollywood, as Eiffel Tower is France's representative, the Great Wall is China representative. Talk of the Hollywood movies, always think of Nicole Kidman, Tom Curise, Elizabeth Taylor, beyond count stars. In fact, the star is not only a movie role, but alsofor the develepment of the entire film plays a very important role in.

By:shi mi Chen 134302124 class 2

So what exactly is the star system?Simple to say. In early twentieth Century the Hollywood star system is a gradually formed in order to emphasize the actor (star), while the film itself or other elements of the commercial method, in order to get more audience. In the period of the star system, the emergence of a series of star, such as the mysterious actress Greta Garbo, sexy star Monroe.

Take Marilyn Monroe for the example. Monroe, a familiar name,

familiar image. Almost everyone in the world in the process of growth is more or less over her famous photo, and memories: that one is wearing a white dress on the streets of New York, the skirt is underground heat blew open the horn of the black and white photo; the face of the lens eyes closed, lips pursed; on the sofa bare a pair of legs…… These photos are no longer the photos, and to convey a special emotion, a pure and sexy. For generations, Monroe like these photos, is eternal.

In fact, stop all in our audience minds are from the packaging of the company. In order to make the image of the stars shining, have greater box office appeal, all the work of filmmaking industry must be around the stars to start.ln fact, Marilyn Monroe is just an ordinary girl, she even for a living shooting in the conservative’s naked .But because of this system ,she became the many people heart of goddess. In troubled times, the most difficult is to insist on, conduct does not fall, don’t put out the fire. Travel in Hangzhou

In my memory, Hangzhou, this southern city in China is the love, beauty, and story. During four days visit in Hangzhou, I could not describe my feeling by use the word, but by my heart.

By Li ruowen 130409125

Hangzhou silk is most famous product in China. I deeply love it, so window shopping silk and visiting Hangzhou silk museum were in my schedule. Its beauty feed my eyes. Sit in a small Tea shop and tasting Longjing Tea which was soaked by Hupao spring made me deeply enjoy the green Tea's favor. It satisfied my soul. It also is Hangzhouness most popular way to relax after work. Watching Qian tang river Tide, Tour towards to Thousand Islands Lake, were all amazed me. But I came to Hangzhou mainly for West Lake.

Ripping water shimming in the day,
Misty mountains shrouded the rain.
Plain or gaily decked out like Xi Zi,
West Lake is always alluring.

This poetry was composed by Su Dongpo. He loved West Lake and compared it as the most beautiful lady, Xi Zi in ancient China. Finally, his grave was located at side of West Lake.

West Lake is charming because she has a vivid life, touched legend, and nature outlook. After a tour guide, I decided biking to feel her again by my heart. Goo Mountain, Zhongshan Park, Xilengyinshe, Su Di, Bai Di, Su Xiao Xiao's grave, there are too many to count, but I finally stopped to Broken Bridge. I was deeply attracted by this traditional legend. It was about Bainiangzi who was originally a white snake. Because of her longing human being's life, after her practice asceticism over 1,000 years, she became a beautiful girl. It was fate, One day she met Xuxian, a young man at Broken Bridge. The weather suddenly became very rainy. Xuxian kindly shared his umbrella with Bainiangzi. With the foggy, romantic scenery, they fell in love in the first scene. Xuxian married her and they lived in a happy life.

With a 1000 years asceticism practicing, Not only Bainiangzi lovely and beautiful, she also has a magic power which can help poor, ill people, but her good behave made a monk Fahai alert. He knew Bainiangzi what was. He persisted to think her

as an evil and decided to kill her. He came to Xuxian and told him about what his wife really was. Xuxian was very scared and died of fright. In order to save her husband, Bainiangzi risked her life and steal a holy grass from heaven which could save people life from death. Xuxian was back to life, but Bainiangzi was caught by Fahai monk and was locked under Leifeng Pagoda.

Because of their deep, dedicated sweet love, and over thousands years' waiting, the truly lover, the story has been moved almost everyone who heard it, but it also made me very sad. Bainiangzi still was locked under Leifeng pagoda. Leifeng Pagoda today still stands there and was remolded, even stronger. Poor love-struck and beautiful white snake seems never would have a chance to be released, even her sister, a dark snake tried so hard to save her sister's life. But Mr. Xuxian, I wonder where are you? Are you still there for her just like her? I wonder what you did for your wife. Please do not let your poor, love struck wife suffering under Leifeng Pagoda by herself with a broken heart. Please do not waste her love with traded by her thousand years' waiting.

West Lake, Love! Something I can never say it, she gave me a much deeper meaning than what I saw through my eyes.

Hip-hop And Our Lives

By: Ke Liu 134102207 Class 4

Hip-Hop came from New York 19 Centuries 60’s.From the word Hip-Hop can we know the meaning which is like dance. Hip-Hop just has been through so many years ,nowadays,Hip-Hop is becoming a sort of attitude, fashion ,music and sport so on.
Hip-Hop was came from street. Black people have no a truly better life than most white people, they are living in the ghetto ,or we can say hood. They have no enough money to pay the ticket for club, so they are dancing on the street, t hey have no money to play basketball in the park, so they are playing on the street ,they are also like to singing on the street ,so many elements was combined then to be the Hip-Hop.

Jeanguy on the stage

“To me ,Hip-Hop is really important. Especially the music, which we call rap.”Jeanguy Said.
“A rap has beat ,sometimes it also has some DJ scratching. Rap has so many genre, which are gangster, hardcore, old school and west side or east side. Everybody think that rap is full of sex ,cash and violence but they have no seen the essence of rap.”
Jeanguy is a black guy who intends to be a rapper, he focus on it so hard, concentrate his spirits in every single second. “A famous rapper Eminem who only had 2 dollars in the Christmas day before he came to be famous but he ain’t quit ,he was trying so hard, finally he got a shot, he seized that opportunity. Now he is a billionaire.”Jeanguy is just like Eminem ,he left France for China to hold Hiphop shows in Dalian, he now works in Beijing.

Show time

Mentioned the influence of Hiphop to our lives, he gives me three points.

1. **Dressing style**

In China,You can see more and more teenagers wearing loose T – shirt and jeans, a pair of cool basketball shoes and a hiphop cap on his head. The hip-hop culture lovers and others formed a sharp contrast.

2. **The selection of music**

Those who like hip-hop music people often hold a negative attitude towards China-pop and K-pop. They always like the songs full of the strong rhythm, emotions.

3. **Attitude to life**

Most of them pursue hedonism and gratification, like to live in the present .Express the dissatisfaction to the social problems as they realize there is one.
In the end, Jeanguy told me:“Hip-Hop has changed people’s live and it has a extremely big impact to us. If you all think that Hip-Hop is dressed ridiculous and it is all about negative things, you are all wrong. Dressed like a Hip-Hop or act like a Hip-Hop that does not mean anything ,Hip-Hop is more about what is the way which you are going to take that can make your life diffirently and more better. No matter what is the issues ,you will confront it,never and ever surrender to it .Anyway, Hip-Hop may not means so much to you but it surely means to much to me.”
