A strong cow in the Spain

I can make a strong man suddenly collapsed.

I can let the artist reach the limits of life.

I weigh more than 400kg.

I have breathtaking power.

*You may ask me : "Are you superman???Are you iron man???"
I will tell you: "NO, I'm just an Africa pedigree bull."*

I am living in Spain, Bullfighting is the most traditional of Spanish Fiestas. The Spanish people consider this art forms which are intimately linked with their country's history, art and culture. Pressure groups attempt to lobby against bullfighting yet the King of Spain himself has allegedly stated that the day the EU bans bullfighting is the day Spain leaves the EU.

[Bullfighting](#) can be traced back to ancient days. This art popular spectacles in ancient Rome, but it was in the Iberian Peninsula that these contests were fully developed by the Moors from North Africa who overran Andalucia in AD 711. Bullfighting developed into a ritualistic occasion observed in connection with feast days, on which the conquering Moors, mounted on highly trained horses, confronted and killed the bulls.

Romero's grandson, Pedro Romero, developed all the passes and moves which to this day are seen at a bullfight. He retired in his eighties after killing more than 5,600 bulls without ever being hurt. Thus Ronda is considered the home of bullfighting.

Bullfighting season in the Spain is March to October. In bullfighting season, there are two games will be held every Thursday and Sunday. If it is in the festival and National Day, people can watch it every day.

You can visit the bullring in Ronda which houses a small bullfighting museum. The bullfighting season in Ronda is from April to October though fights are quite infrequent. Check with the tourist office next to the bullring.

Spanish people are enthusiastic and full of passion, they all love bullfight very much. Bullfighting is a unique scene of Spain and it is famous in the world. Although people are dispute this activity from the point of view of animal protection, but as the traditional festival in the Spain, it also welcomed by many people.

Cattle show in Spain also gradually lost past scenery, appearing twilight scene. In July 2001, Spain announced a ban on sales of dead male beef in the market. But selling bull beef is the main income of the cattle-breeders, the ban means that they will be unable to afford the high cost of domesticated and give up raising bulls. Even the world famous Spanish bullfight there will be no bull fights. Bullfighting is the traditional program of Spain, and other countries seem to haven't carry out this project.

People always feel like that Spanish bullfight very cruel, but today there is a another view about the bull: with respect to pulled the us to the slaughterhouse directly, let us struggled with the Matado may be more humane. Because in this process, as a bull, we can also like a man with honor and soul. Since we destined to be eaten by human beings, why not let us have the opportunity to take revenge?"

plus a dan Wangfeng Mei and Yang Juan's cameo, the whole film

can be said to be beautiful and desolate.

Tablets apparel fabrics by the Chinese Chuan Qi flows antique embroidered gown costumes and even thirties, despite rigorous textual,

I don't know how to choose a book!

There are thousands of books in the bookstore, and you may find it difficult to choose a good book. I will tell you how to make it easy.

By: Mengyi Lu 120905338 Class2

If you go to the bookstore, you will find thousands of books sitting on the bookshelf. You look at them, but don't know which one to choose. It's hard to tell a book is good or not just through its name. I'll share some experience about how to select a good book with you.

When I was in primary school and junior school, our teacher would give us a list of classic books and suggested us to buy one or two. I really don't like to read classic books at that time. They are old, boring and hard to realize. But why are they been recommended by so many people if they are worthless. You can't deny that those classic books have stood the test of time. If you really have trouble in reading classic books, maybe you can wait. I remember a scholar once said that he didn't like reading Analects of Confucius when he was young, but he finally accepted it in his middle age.

I don't like reading books when I was a little girl. I began to love reading books after I read a book written by Yingtai Long. Then I bought all her books to read. What I want to say is when you are attracted by a book, it's a good idea to buy the author's other books. You will not only read her or his other good work, but also know more about the author's style of writing. If a writer wrote an excellent book, then her or his other books won't be very bad in general. I used this method to select books, and it worked every time.

In order to sell more books, sometimes the publisher will put advertising slogans on the cover of the book. It is not wise to believe the slogans entirely, sometimes they are exaggerated. So who will give you a honest review of a book, I

think is our teacher and other readers who have read the book. Moreover, sometimes your favorite writer would quote sentences or stories from other books. I suggest you to read those books, because that means as your favorite writer seems highly of those books, those books are worth reading.

I once watched a TV program about reading books. Some people recommended the books they read. I remember there was a reading club, members of the club gathered once a week to share feelings of the book. If there is a reading club around you, try to join it. You will make friends with people who have the same hobby with you, and you will be able to select a proper book after the gathering.

Sometimes, you don't know a writer until he or she win a prize in literature. I didn't know Mo Yan before, but after he won the 2012 Nobel Prize in Literature, I bought all his novels. After I read his work, I finally realized that he deserved it. So if you have trouble in choosing books, it's a good idea to read a prize-winning work sometimes.

With the development of the Internet, there are different kinds of websites provide help for different people. [Goodreads](#) is a website created for people who love reading books. Thousands of books are listed on the website. Once you click the cover page of the book, you will see a brief introduction of the book. And there are lots of comments written by other readers below to help you decide whether the book is worth reading or not. What's more, there are some tips which make Goodreads cleverer.

First, you can add friends to see their latest reads. Reading is more fun when shared. Second, you can rate books you've read to get recommendations. Rate 20 books and Goodreads will learn your tastes. Third, you will be able to find and add books to your shelves. Search by title, author, ISBN, or list.

In a word, although there are millions of books in the world,

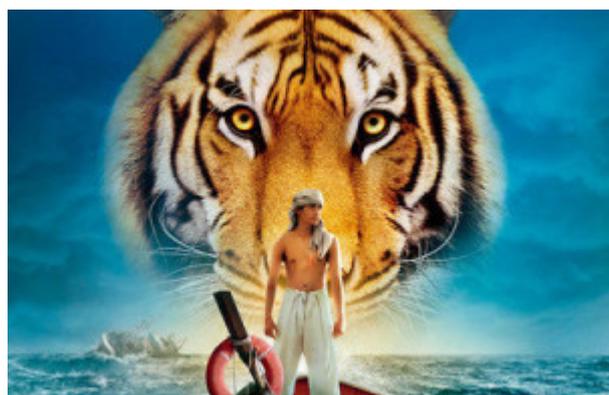

you will always find the proper one for yourself as long as you try to. I think reading books is very important in my life. A good book is just like a teacher who can impart me knowledge. I have used the methods above to select myself proper books, I hope my methods can help you too.

Faith from "the life of pi"

If we really even honest to discuss the ability of human desire, the most basic love and faith are lost, the film left what? To believe that the movie, drama, literature, with its unique charm, this is faith.

By xinying yu 134302116 class2

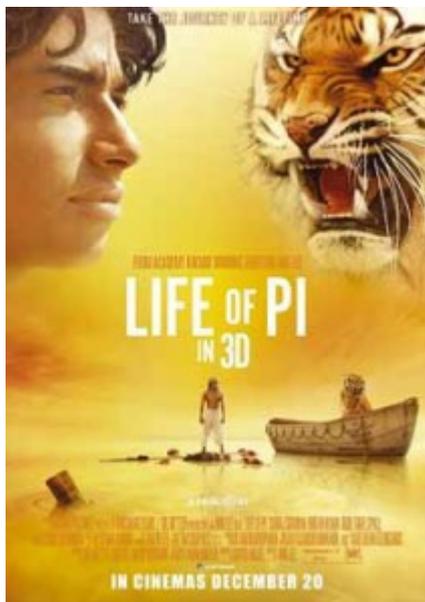

To see Ag Lee, all kinds of love hate entanglements. I think, one day, the world would be like miss Kubrick miss Ag Lee. Like "life of Pi", especially not forget that a tiger. To say goodbye, it is not turned back, the same I also cannot forget. Like Ag Lee the ease of a pen, which is full Oriental style opening of zen. Hollywood offers a huge canvas, Ag Lee above devoutly painted tiger in my heart. He makes people believe, belief is there, this belief has nothing to do with politics, even not as part of a religious, between the back and a tiger and don't look back.

We suspect that all good, and refused to acknowledge the cruel

reality. So, there are people of faith, and the tiger are than we tend to happiness. This is a story about drifting, this is a story about faith.

"Life of Pi" hero, is a religious youth. On the way, a family moved to Canada cargo ship sank, killing all send a family, fled to the lifeboat. And sent both in lifeboats, a zebra, a hyena, an orangutan and a dog named "Richard Pare" adult Bengal tiger. The first three days in the lifeboat, hyenas killed zebra, killed orangutan, "Richard Pare" and kill hyena. Then, 17 year old boy and an adult Bengal tiger, 227 days at sea, made a fantastic drift process. School and the "Richard Pare" from each other, want to kill each other gradually Independent on each other, depend on each other, this is a miracle. Because of the "Richard Pare", send stick at the end; because of the belief that there was new, pie. In the film the end of the fast, and Pare finally landed, at the last moment, Pare did not look back, resolutely walked into the forest, sent regrator interfaith is not is not right or wrong, but requires commitment.

In the film, the young because of the existence of multiple belief reprimanded by his father, a variety of faith is not belief. From the nature of sense, the belief that everything

is on the existence and uniqueness of the truth believe that does not doubt, is a personal reflection and choice basis for action. After watching the movie, many people struggle which is the true story, actually it is meaningless. Maybe Ag Lee didn't know the answer, as we "as far as I can see, its all, bring me the enlightenment", have a look what we can see how much.

Jeff Chang sang in his song, "I love you, is loyal to their own beliefs, loyal to love. I love you, is from the soul, from the power of life. In the distant place, whether you are the same, hear me shout, love is a kind of belief. Visible, the belief is very important, in our life so, let us respect. Mining more good movies together ~ good movie is not only let the audience the joy in watching, and want to get more after the movie.

Oh! Isn't it annoying. Then the mother kicked shuttlecock, but like a docile sheep, one two three..... Mom is really fierce, has played in eleven! I'm not discouraged, must call the shuttlecock to listen to my orders, not reconciled to my mom, and then go to practice, once, two times, three times..... Development of the Hollywood star system

Hollywood is the film factory, for the fans all over the world, it is the production of the world star. Star in the world is the representative of Hollywood, as Eiffel Tower is

France's representative, the Great Wall is China representative. Talk of the Hollywood movies, always think of Nicole Kidman, Tom Curise, Elizabeth Taylor, beyond count stars. In fact, the star is not only a movie role, but also for the develepment of the entire film plays a very important role in.

By:shi mi Chen 134302124 class 2

So what exactly is the star system?Simple to say. In early twentieth Century the Hollywood star system is a gradually formed in order to emphasize the actor (star), while the film itself or other elements of the commercial method, in order to get more audience. In the period of the star system, the emergence of a series of star, such as the mysterious actress Greta Garbo, sexy star Monroe.

Take Marilyn Monroe for the example. Monroe, a familiar name, familiar image. Almost everyone in the world in the process of growth is more or less over her famous photo, and memories: that one is wearing a white dress on the streets of New York, the skirt is underground heat blew open the horn of the black and white photo; the face of the lens eyes closed, lips pursed; on the sofa bare a pair of legs..... These photos are no longer the photos, and to convey a special emotion, a pure and

sexy. For generations, Monroe like these photos, is eternal.

In fact, stop all in our audience minds are from the packaging of the company. In order to make the image of the stars shining, have greater box office appeal, all the work of filmmaking industry must be around the stars to start. In fact, Marilyn Monroe is just an ordinary girl, she even for a living shooting in the conservative's naked. But because of this system, she became the many people heart of goddess. She starred in the film "the prince and the Showgirl" obtained the good box office. Not only is the company money, she won the Golden Global Award for best comedy actress. This is a win-win system.

The Hollywood star system makes Marilyn Monroe became a classic. Even if she had been dead for many years, her classic movies, she raised her white skirt sexy style, even every one of her face is still familiar. And Hollywood movies also resounded through the world. Until today, even though the Americans have left, through her, still can bring a lot of economic effect. Enough to witness the powerful of Hollywood movie star system.
