*If we really even honest to discuss the ability of human desire, the most basic love and faith are lost, the film left what? To believe that the movie, drama, literature, with its unique charm, this is faith.*

To see Ag Lee, all kinds of love hate entanglements.

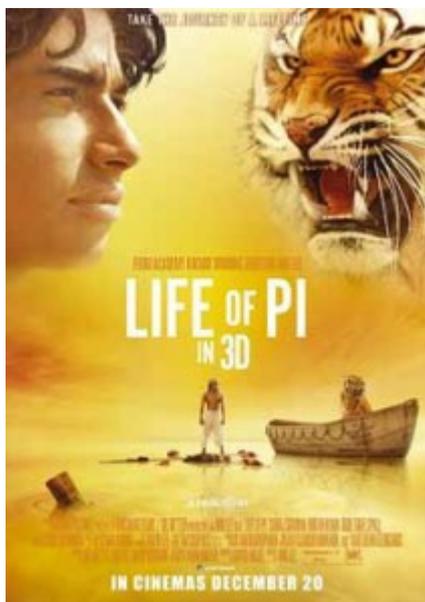

I think, one day, the world would be like miss Kubrick miss Ag Lee. Like "life of Pi", especially not forget that a tiger. To say goodbye, it is not turned back, the same I also cannot forget. Like Ag Lee the ease of a pen, which is full Oriental style opening of zen. Hollywood offers a huge canvas, Ag Lee above devoutly painted tiger in my heart. He makes people believe, belief is there, this belief has nothing to do with politics, even not as part of a religious, between the back and a tiger and don't look back.

We suspect that all good, and refused to acknowledge the cruel reality. So, there are people of faith, and the tiger are than we tend to happiness. This is a story about drifting, this is a story about faith.

"Life of Pi" hero, is a religious youth. On the way, a family moved to Canada cargo ship sank, killing all send a family, fled to the lifeboat. And sent both in lifeboats, a zebra, a hyena, an orangutan and a dog named "Richard Pare" adult Bengal tiger. The first three days in the lifeboat, hyenas killed zebra, killed orangutan, "Richard Pare" and kill hyena. Then,

17 year old boy and an adult Bengal tiger, 227 days at sea, made a fantastic drift process. School and the "Richard Pare" from each other, want to kill each other gradually Independent on each other, depend on each other, this is a miracle. Because of the "Richard Pare", send stick at the end; because of the belief that there was new, pie. In the film the end of the fast, and Pare finally landed, at the last moment, Pare did not look back, resolutely walked into the forest, sent regrator interfaith is not is not right or wrong, but requires commitment.

In the film, the young because of the existence of multiple belief reprimanded by his father, a variety of faith is not belief. From the nature of sense, the belief that everything is on the existence and uniqueness of the truth believe that does not doubt, is a personal reflection and choice basis for action. After watching the movie, many people struggle which is the true story, actually it is meaningless. Maybe Ag Lee didn't know the answer, as we "as far as I can see, its all, bring me the enlightenment", have a look what we can see how much.

Jeff Chang sang in his song, "I love you, is loyal to their own beliefs, loyal to love. I love you, is from the soul, from

the power of life. In the distant place, whether you are the same, hear me shout, love is a kind of belief. Visible, the belief is very important, in our life so, let us respect. Mining more good movies together ~ good movie is not only let the audience the joy in watching, and want to get more after the movie.
