

Fly your minds away

We have been told of every thing, such as what you should do, what you should choose and what kinds of person should you be. It's not wrong to follow the rules, but there is something hiding behind the fact, that's we are losing our heart and inner. Finally, maybe we gonna find out a strange self, a hard and painful process, but you must suffer.

Things always be objective in tough days, we met many problem and fight a lonely battle. If you do not want be gone too far, travel in a nice day is my advise. At least decrease your coufusion, make your heart a forest, but not a desert. My college located in Tongxiang, this is my fate to suffer. I was wandering how busy my college was, but the truth is flesh and blood. Tongxiang break my dream and give me a hard choice, my tour must be in a hard way, my position is in the center of Shanghai, Hangzhou, Suzhou Golden Triangle, East 130 kilometers away from Shanghai, 75 kilometers from the north of Suzhou, 65 kilometers west of Hangzhou. So, let me tell you those things

about my resort.

1. SU ZHOU

First memory of there is silk and river, and beautiful Miss. Because there was a beauty called Xi Shi end her story here. Suzhou, one of the big city in East China Chinese, located in the southeast of Jiangsu Province, the Yangtze River to south central, east coast of Taihu, Yangtze River delta. Suzhou has a long history, is the first batch of 24 national historical and cultural city. Suzhou has written Loading history for more than four thousand years, is the birthplace of Wu culture and synthesizer, a long history of area south of the Yangtze River is the political economic and cultural center, Suzhou city was founded in 514 BC, one of the Chinese's oldest city.

2. SHANG HAI

Shanghai is located in the Yangtze River Estuary, east to the East China Sea, across the sea with the Japanese island of Kyushu, Hangzhou bay to the south, West and Jiangsu, Zhejiang two provinces are connected, together constitute the "Yangtze River Delta economic circle, with Shanghai as the leading Chinese maximum economic zone". Shanghai has a profound cultural background of modern city and many other historical monuments, integration of cultural diversity of southern traditional culture and the local immigration into Wu Yue, formed a unique Shanghai culture.

3. HANG ZHOU

Hangzhou is located in the southeast coast of Chinese, the northern part of Zhejiang Province, the North Bank of Qian Tang River, Beijing Hangzhou the southern tip of the Grande Canale, the National Tourism Administration's China best tourist destination city, since ancient times, "an earthly paradise" reputation. In my long and excited tour, it is never boring. I had ride to Qiandao Lake and rethink my life. What you

can see is just road,tree,and mountain.Besides nature,there is only you stand in ground. By the way,my wheel was broke in Hangzhou,and that is really tough for me.I fixed my bike by my self,half an hour,not bad.It was a dark afternoon,seems like a ride with out ending.It was 270 kilometers,a crazy but Unforgettable ride.

My minds seems my wheel,where it will be,where it should be.
