

Jay Chou

By Cheng Si Yi 130108127

Jay Chou ,Chinese Taiwan pop singer ,famous musician ,the composer ,and one boss of “Jiewei” music company. In recent years ,he set foot in the media.

As we know ,in each bright as the star of the people behind ,there will be a lot of bitter experience .Even in less than three years of rapid change red singer jay chou is no exception, the quiet, shy, sensitive boy, and his mother, grandmother lived alone, music is his world, all the worries and dreams can only through the notes. Who did not think of, the child says less than ten words a day, grew up to become household superstar.

Jay as a child ,who surely become elderly family, grandpa’s and grandma’s baby, old man, the son of pain no matter where to always together with jay, even when the layer’s grandpa go to restaurants ,hotel to discuss the case with the client, will see jay’s like a small shadow behind.

Jay chou, the only child growing up in a single-parent family, is the most good at ourselves and speak for themselves, and the most is not good at communication with strangers. Perhaps is lonely and neighborhoods from his music mature and heavy resistance to listen to, have a life beyond his age. For criticism and response, inarticulate he is only a kind of expression, he will only use music, his mood is in one’s work. Racking their brains in the star company analyze market

preferences orientation ,said jay Chou to completely of cool was born. Not to think about what you like, and just like him. Since he is the most revolutionary and symbolic singer after 2000 years ,called the king of Asian pop music. His appear broken the situation of stagnation in Asian pop music circle.Besides,the biggest characteristic of his music is that he fuses the eastern and western music.

July 2003,with <Ye Hui Mei> publishing,a song named "Dong Feng Po"swept the Chinese music.The Chinese restoring ancient ways of pioneered the Chinese music.This song,not only the lyric is great,but also the song is beautiful.As it were,it is the classic work of this style.

After that,he created a series of Chinese style songs.Such as,Fa Ru Xue,Qian Li Zhi Wa,Qing Hua Ci and so on.These songs have already become his representative works.

As far as he is concerned,he is intend to extend the influence of Chinese music in the world through his Chinese style music.
