As the internet develops fast, more and more company pay more attention to online games, so more and more MMORPG(Massive Multiplayer Online Role-play Games) come into players' sight. MMORPG is quite popular these days. In my opinion, almost every young people have the experience of playing MMORPG.

MMORPG, as the word says, it's a game that lots of people can play it together online. Players earn money in the game to buy things they like and to kill monsters to improve the character's skills and level they create in the game. MMORPG is more than a game, it's more like an unreal life in the world of internet, people play and live in the world which the

game has provided. And the company of the game will try their best to improve the quality of the pictures and game play in order to give the best experience to players and have more players so that they can earn more money.

MMORPG like WOW(World of Warcraft) and Blade and Soul are quite popular all over the world. And there are more than ten million people play it online in the same time. So I think that no young man will not want to have a try. You may ask “how to play MMORPG?”, I can tell you that it's quite easy. All you need is a not bad computer and a fast internet. First, you need to create your own character. Second, you need to read the windows tutorial and follow it to know the request of this game. And then you can begin enjoying this game. You'll feel like living in an unreal world full of craft and magic. You need to improve your skills to beat enemies and work with your allies.

Why MMORPG so popular? The answer is quite easy to give, because young people want to have a different life. MMORPG provides players with a different life in different world. They can live, they can kill monsters, they can make friends with others, they can beat boss together with others. And they don't need to worry about social position in the game because everyone in the game need to start from zero. The game give a

chance to everyone to become a hero, to become a leader, to become a winner. That also satisfies a lot of people's vanity. We live in a peace world, but MMORPG is always full of battle, so lots of people make their dream come true in the game like to command the battle between enemy side. Players even can marry in the game, play the game with your love online is quite good, isn't it? That's why MMORPG is so popular.

Play MMORPG don't need a lot of money, you can enjoy the game freely so long as you like the game. You can live a different life in the world of internet and have lots of friends in the game and fight for your dream together in order to come to the top of the world of MMORPG or just for fun.

MMORPG is quite good for people to relax, why not download one and have a try. I believe you won't regret to do so.
