The second world war brought most of the countries in the world can never indelible memory, [Auschwitz](#) is quietly standing in the long river of history, warned that people cannot forget. Auschwitz is Poland's only more than 40000 residents of a town in the south. During the second world war, the German fascist here set up its biggest – [Auschwitz concentration camp](#). Nazi Auschwitz administration control area of 40 square kilometers, including three camps: main Auschwitz, cloth hot gold camp, Emolument's camp.Moulmein, camp, including 40 small camps, distribution of the Silesian region in southern Poland.

Nearly 6000 people lost their lives here every day, some people are used to do medical experiment, some people from hunger, fatigue, dead tired, and most of the people into each appearance seems to be the gas Chambers of the bathroom. Being deceived by the jews, that they carry all the goods were empty, even wear clothes, shoes and hats, rings, earrings and hair, teeth and skin will be stripped. In the different of the

martyrs memorial gallery, Nazi Germany before finally dislodged the remains of the victims: 7.7 tons of hair, 14000 people of woven blankets, 350000 pieces of women's clothing, 4 Wan Sichuan shoes, 5000 pairs of shoes, there are mountains of tableware, mouthwash, razor, shoe polish, glasses and write the name of the trunk. 35 Auschwitz has built special warehouse used to store classification from the prisoner steal stolen goods. German wartime deprivation, inmates of the gold bars of gold jewellery and the gold and valuables were brought back to Germany for combat readiness supplies, commonly used items in aid to German soldiers.

Auschwitz sunshine always special beautiful, neat buildings, clean streets. On the factory gates' labor is freedom. If not we know its history, it's really just a quiet small town, a free people, real life. When we entered the Auschwitz concentration camp, however, the unfolding of gruesome pictures, the broken board, the opposite a large bathroom, that past ferocious crematorium, all in telling it. There is nothing new in Auschwitz, only the past of cruelty. When people curious, came to this beautiful city, tend to be disappointed, because it carries the history of too heavy, so that even in the sun for decades, and when people enter the Auschwitz concentration camp again, still with a shudder. That history has let a person to read, well, in the ruins we see the blooming daisies. Poles with their hands to rebuild the city, let the flower of hope on this land.
