If I said that this world really has the sunny island, do you believe it? Of course, I said the island does not mean that the island is always sunny, but refers to the island's name is called "Sun Island". Why the name of the island is so special? There is a legend. The "Sun Island" was from the Manchu bream. Manchu has three kinds of patterns about the bream: the common bream called "sea flower", the black bream called "falu", the circular bream called "taiyian", and it is very similar to the "sun". So the "sun" of the Sun Island means bream fish. Anther argument is that the slope is full of clean sand, in the light of the sun, the sand was hot, so the island called Sun Island. No matter what kind of view, Sun Island is like its name to let people feel the warmth of the sun.

At the beginning of twentieth Century, as the Middle East railway construction, many foreign nationals have come to Harbin. They found that the undulating terrain and the rivers as a network of Sun Island is a good place for the summer. So they began building villas. The expatriates brought their families, they have a picnic, hiking, wild bath at here. These exotic customs

of life become a special cultural phenomenon in Sun Island. These customs even still in effect today Harbin people's ordinary life. Now, Sun Island is not only still retain these cultures, it began to build the ecological island. People used the natural terrain, water and road links with the space, made the landscape is not only a complete system, but also relative independence.

[The Sun Island](#) scenic spots are full of sunshine, too. The sun stone is a very eye-catching landscape. You can see it at a glance. In 1979, a song "Sun Island" made the Sun Island was famous at home and abroad. So the tourists increased. When the visitors land, always ask "where is the Sun Island?" So the Sun Island scenic area construction headquarters decided to erect a monument to show visitors. And the stone is engraved with "Sun Island". Now, the sunstone has been called the Sun Island sign.

Snow only spears in winter, but in the ice& snow art museum of the Sun Island, you can see the ice and snow any time. The art museum is divided into five scenic spots. Each area has its own unique characteristics. It makes people find the snow is different, snow not only means

cold. It lets people feel the ice temperature in the Sun Island.

If you can set foot on the warm land, please do not mean your eyes, enjoy the beautiful scenery of the Sun Island, please do not save your embrace, hug the warm from the Sun Island!
