In the Milan fashion week of 2006, there had an opening ceremony of "China Day" brand issued jointly. It is the first collective appearance of China, it helps promote the brand culture and changes less number of well-known brands cycle short, the weak independent innovation these present situations in China gradually. Setting up a bridge about fashion communication in different countries will have great contributions to the development of fashion in China. Or, totally lazy, just go to the beach next to the hotel, yes, the one so close that you can see on your balcony. Swimming, taking a sun bath, building a sand castle, it's your call, as long as you are having a good time. Even that sounds too far? No problem, just go to the swimming pool, which is fun and close and you can order some nice foods there! For a relax moment, I really recommend the spa in the hotel, it's really good, and the point is you don't need to move a single finger!
