As time goes by, Beijing is gradually rising in the world. It's also becoming more and more popular to choose between living and travelling. As far as I can see, Beijing is a very special city. It not only has high atmospheric urban architecture, as well as traditional classical scenery building. I love Beijing. I hope that through this article, you will fall in love with this place.

Travel in Beijing

First of all, I have to sincerely recommend Beijing's attractions. As we Chinese know, Wangfujing is the paradise for shopping. Wangfujing street is the only a walk street in Beijing. Its average daily traffic is 600000 people, the holiday even more than 1.2 million people. Here is the most special of 40 meters wide streets are flowers everywhere. It has become a matter of abundant people today, shopping, leisure, culture, entertainment, tourism, catering, commerce; accommodation is a body comprehensive commercial pedestrian street. So there is only you unexpected, no you can't find.

Nanluoguxiang is one of the oldest neighborhoods in Beijing, It is the ancient capital of Beijing style in a piece of "jade" intact. There are many small hutongs of different styles and Nanluoguxiang bar street, as well as Beijing's special snacks. It has so many Hutong, I will recommend the best popular –Mao er Hutong to you. When you are walk in the Mao er Hutong, eating the most authentic old Beijing sugar-coated berry and feel the Hutong's comfort feeling, you will love the Beijing. Houhai has a famous bar street. Here you can completely quiet, watching the sea outside, listening to the gentle songs. Or with a group of like-minded friends, enjoying party time, and sleepless in Beijing.

Living in Beijing

Beijing person has a unique life style. Maybe on a second they are still in the rigorous work, they had already left the next second desk ran to the houhai street. This is a rapidly developing city. Young people all the time in work hard, trying to get ahead.

Some old people are quietly enjoying the evening the red leaves of fragrant hill. Maybe you were a successful white-collar work during the day, good at workplace, drink starbucks every day, but night you will with lover to buy food for cooking, enjoy personal time. Beijing is such a unique place. Even under the huge pressure of life, Beijing person also has the confidence to come true dream and live a happy life.

Dream in Beijing

Beijing as the capital of China, has always been the young people’s dream place in my heart. It’s in our hearts, always shine. Every day there are thousands of young people to sit on the train to realize the dream of Beijing. They would rather live in the basement of Beijing, would rather eat a loaf of bread every day for a living, just in order to look for opportunities in Beijing. Efforts will reap. I believe, Beijing will give a chance to hard-working man to come true his dream.

This is Beijing, but not all of Beijing. I hope you can through this article know the unique charm of Beijing, feel my heart like me, deeply in love with Beijing.
